I’d fly into NM on 11/9 for the meeting on 11/10. I would probably go ahead and stay at least until 11/11 (maybe 11/12 and take a day of annual leave).

Can you check flights? Also Taim is working on extending the room avail. Can you check it out?

David

Good afternoon David,

We are putting together the IOGCC Annual Conference and tentatively adding the EPA/IOGCC Taskforce meeting to the tail end. The IOGCC conference is 11/7 – 11/9/2021. The tentative EPA-IOGCC Taskforce meeting is slated for 11/10/2021. The conference will be held in Santa Fe. More information can be found at <https://iogcc.ok.gov/2021-annual-conference>. If possible, please plan on participating on 11/10/2021. I'm working with IOGCC to extend room coverage for the taskforce meeting. More to come.

Thanks so much.
Taim.

Dear :Mr. Shaikh
The Environment and Safety Committee of the IOGCC would very much appreciate if you or one of your staff could provide a short presentation on ongoing or planned changes in federal law and regulations relating to oil and gas activities.

The committee sessions will be held on Monday, November 8, from 1:30 to 5:00pm and Tuesday, November 9 from 8:30 to 10:45 am. I am not sure which date/time will be reserved for the Environmental and Safety Committee at this time but we will have a total of one hour. Your presentation need not be longer than about 15-20 minutes.

I appreciate your consideration of our request and look forward to hearing from you.

Regards,

Leslie
